## C-Team Challenge!

The C-Team Challenge was created to help C-Team members have a consistent quiet time with the Lord each day. Bible reading and prayer help us grow in our relationship with Christ.

Doing the C-Team Challenge consists of reading in a Bible the verses given for the day, thinking about the question and praying for the C-Teamers listed on the calendar day. After doing these three things, an X may be put in the square for that day on the calendar.

If a day is missed it can be made up any time and then a slash / may be put through that box on the calendar.

Complete C-Team Challenge months may be used for money off the next C-Team retreat. If five or more days have only a slash and not an X then half credit will be given. Whole months may be made up.

God bless you as you take the C-Team Challenge!
