# Participation Release of Liability

## Men's Ministries – Participant and Minor Form Calvary Bible Church (READ Before SIGNING)

### RELEASE OF CLAIMS (promise not to sue)

I, \_\_\_\_\_ (print name), on behalf of myself and my minor

child(ren), \_\_\_\_\_ (print child(ren's) names), (hereinafter "son" or "son's") by participating in the 2019 Men & Boys Retreat being sponsored and/or conducted by the Men's Ministry of Calvary Bible Church, of Neenah, Wisconsin, Inc. (hereinafter "CBC"), from February 22-24 in 2019, including but not limited to the activities as follows: driving to and from the camp, meals, games, skiing, skating, snow shoeing, rifle use, sledding/tubing, snowmobiling, ice fishing, camp fires and other outdoor activities in winter conditions, know that I must sign this *Participation Release of Liability* form for CBC to allow my, and/or my minor son's, said participation, and that by so signing I do hereby give consent for my, and/or his, participation. Furthermore, my consent is given for CBC, its staff, leaders, chaperones, counselors or other representatives responsible for the said event to obtain any and all medical, dental or other health care reasonably deemed medically necessary by a qualified health care professional for me or my son, if I am unavailable and/or unable, in the event of any sickness, injury or other unavailability occurring to me. I understand that while every reasonable effort will be made to contact me, my spouse/emergency contact in such event as soon as is practicable, that such contact may not occur until much later.

By signing this form I, agree that I and/or my son:

- May participate in any planned or reasonably anticipated activities of the Men & Boys Retreat
- Have the physical abilities required to so participate
- Do not have any known but undisclosed physical, mental or emotional condition that would make my, or his, said participation unreasonable, dangerous, harmful or otherwise inadvisable for me and him

**I agree that I will not** hold CBC, its board, Elders, officers, staff, employees or other agents liable for any injury, loss, damage or accident that I, or my minor son, might encounter in the course of participating in the above-mentioned activities or events.

I know that by signing this release that I am not waiving any liability of CBC for its intentional, reckless or grossly negligent acts, but on my, and my son's, behalf to the extent allowable by law, I am expressly waiving such claims for CBC's inadvertent acts or acts of simple negligence

I realize and acknowledge that by engaging as a participant, there are risks and possible dangers to my, or my son's, health, life, and person when partaking of certain activities and events of the men's ministry, which risks can include, but are not limited to: broken

bones, lacerated skin, burns from fire, smoke inhalation, frost bite, hypothermia, gunshot wounds, injuries from falling or flying objects, automobile, snow mobile, or tubing hill accidents, other like calamities, and even death. I understand the potential risks when participating in the activities that I, and my son, may engage in as participants and subject to the terms of this *Participation Release of Liability*, I, on my own and my son's behalf, unconditionally agree to hold CBC, it's board, elders, officers, staff, employees, or other agents harmless for any liability (except for intentional, reckless or grossly negligent acts) concerning my, and my son's, life, personal health and well-being while participating in activities and events of the men's ministry.

As a part of our release of claims, as mentioned above, I agree that at no time will I, on my or my son's behalf, make a claim, file suit or otherwise initiate any legal proceedings against CBC for any of the claims for which I have released CBC arising from or related to the events mentioned in this release or injuries or damage arising from them.

**INDEMNIFICATION (Promise to reimburse):**

I agree that if CBC at any time in the future is sued, has a claim made against it, or is otherwise caused to defend itself against claims I might make, or that might be made on my behalf, and with my express written consent to sue and is related to events or activities mentioned in this release, I will in such case reimburse (i.e. indemnify) CBC for any and all of its cost and expense in making such defense, including court costs and reasonable attorney fees, as well as reimburse (i.e. indemnify) it for any amounts that might be awarded against it or any amounts or sums for which it might be deemed liable to me, arising out of any suits, actions or claims made, relating to the events or activities mentioned in this release. The above indemnification language notwithstanding, I do not agree to indemnify or reimburse CBC against claims made by any insurer of mine made without my express consent and for which there is no recovery sought for any interest of mine retained by me (e.g. deductible claims).
