## THE ANGRY HEART—MATTHEW 5:21-26

### FOR FURTHER STUDY

- How is anger related to murder? How does anger kill personhood? How does it kill community?
- How is downgrading a fellow human being, made in the image of God, a form of murder?
- What causes most of our anger? When is this anger not a sin?
- What are some practical ways that we can counteract the powerful effect that anger can sometimes have in our lives? How can we get rid of our anger? How can we control it?
- Share one way that you have responded to God's Word this week, either through your personal devotional time or through the sermon?

## NEW KINGDOM LIVING

JESUS' LIFE IN OURS

### DISCUSSION QUESTIONS

- What is the difference between man's anger and God's anger?
- What are some practical ways that we can control our anger and do/think/act in a way that's positive and brings life to the people around us?
- What is reconciliation and how can we pursue that instead of responding with anger?
